Så här mäter du **DIABOLO**

Så här mäter du dina mått för DIABOLO – sittande:

1. Fotens längd – Mät din fot från hälen till den längsta tån.
2. Höjd – Mät avståndet från hälen upp till knävecket.
Sitt ner med böjt ben i 90 grader.
3. Vadens omkrets – Mät runt vaden där den är som bredast.

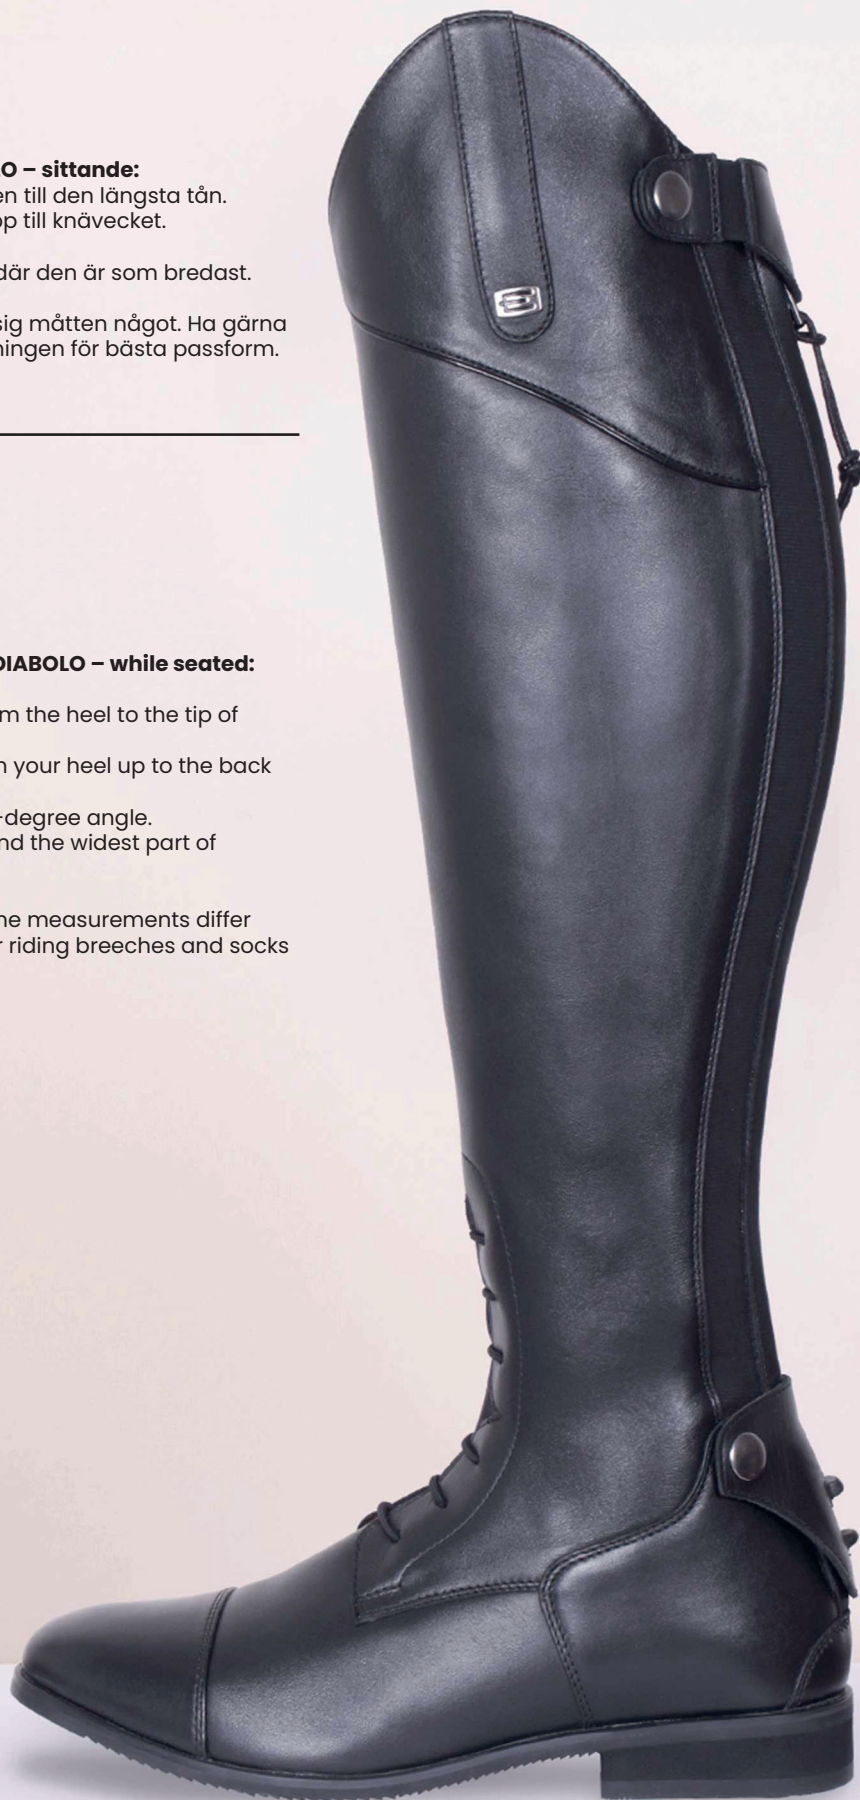

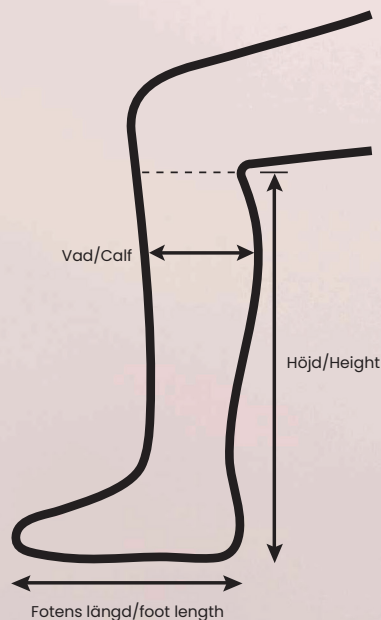

Tips: Mät båda benen – ibland skiljer sig måtten något. Ha gärna ridbyxor och strumpor på dig vid mätningen för bästa passform.

How to measure **DIABOLO**

How to take your measurements for DIABOLO – while seated:

1. Foot length – Measure your foot from the heel to the tip of the longest toe.
2. Height – Measure the distance from your heel up to the back of your knee.
Sit down with your leg bent at a 90-degree angle.
3. Calf circumference – Measure around the widest part of your calf.

Tip: Measure both legs – sometimes the measurements differ slightly. For the most accurate fit, wear riding breeches and socks while measuring.
